## About Us

A micro market is an unmanned retail space where individuals can choose their favorite food and beverage items and pay through a kiosk. Micro markets offer a wide variety of items that are restocked regularly.

- Open 24/7 custom self check out Micro Market complete with delicious meals, fresh fruits, snacks, and drinks
- Easy pay using cash, Apple Pay, debit or credit card, your Avanti Markets card, your thumb print, the Avanti Markets, mobile app, or even a convenient payroll deduction
- Replace your old vending machines with a new Micro Market designed to fit your break-room needs, branding and space.
- Ask about our healthy options and wellness programs created specifically for you and your employees
- Help choose the products for your market - we're here to listen!
- Monthly loyalty programs with incentives redeemable for merchandise
- A sophisticated security system that works in sync with the kiosk to monitor your market 24/7

A secured area for your employees

A power supply for the kiosk system and refrigeration units

A secure, high-speed broadband or DSL line is best

## They Trust Us

Our Avanti Markets provide convenience and options for employees in a pinch. They consistently check-in to see if the offerings are keeping us excited and that the services are running smooth. I appreciate that the selections are rotated to include new and appealing products.
